

LALI ArtAPP

User Manual for Android users – Version 1.1 (20200122)

Follow the instructions to use the LALI ArtAPP!

1. Use Google Play , and search for LALI ArtAPP application
If you don't find it as "LALI ArtApp", try the following: "pub:Elan incerculturel"
2. Click on the Install button!
3. After installing, start the application!
4. You can select the language in the Settings  menu at the top-right corner of the screen.
 - a. There are four languages in ArtAPP. Select the language your mentor asked for!
5. You can choose two game types:
 - a. Regular game. 
After choosing this option, you need to determine on which lesson and level you want to play. For further information, ask your mentor!
 - b. Mixed game. 
In this game, you have to answer 10 questions independent from lessons and levels.
6. There are 11 question types in the ArtApp. During a game, all game types can appear. You can have more information about the given question type by pressing information  button.
7. You must choose an answer before the next question. After you choose an answer, the right answer will be given. If you gave the correct answer, the color will be green, otherwise red.
8. You can go for the next question by pressing the button .
9. At the end of the game, you can see the overall result of your game.
10. After the game ends, you can go back to the start screen by pressing Home button.
11. You can restart the game with the same lesson and the same level by pressing New Game button.

Enjoy!
